

# Gateway Version 1.3 Release Notes

## Added Dictionaries to the Toolbar for Child 20, Adult 20, 30, 40, and 60

- To enable quick access to fringe vocabulary, each new Gateway Dictionary contains all of the Folder Categories for the specified pageset. A user may select the Dictionary that corresponds with their pageset or a more advanced Dictionary to gain access to additional fringe vocabulary.

## Improved Scanning in all Pagesets

- All pages and Tabs have been optimized for scanning. The Open Pop-up Exclusively function is used where indicated to ensure that only the targeted page is scanned.
- Symbol alignment has been improved on pages to offer the correct scan pattern.
- Group scanning has been added where developmentally appropriate to enhance the rate of access to a targeted location.

## Common Core

- A Common Core page has been added to Gateway 30

## Phrase Prediction

- Phrase Prediction has been added to the Phrases Tab in the Phrases Tabset. Affects Child Gateway Pro and Gateway Pro.
- Added Phrase Prediction to ScanPro, including two phrase prediction buttons located beneath the word prediction buttons. Affects both the child and adult versions of ScanPro.

## Character Prediction

- Added Character Prediction to the child and adult versions of ScanPro.

## TV Controls

- Basic TV control functions are now available in the ECU Folder on the Time to Relax Tab. Affects Child 20 and Adult 20.
- Some TV controls have been added to the Watch TV folder on the time to Relax tab. Affects Gateway 30.
- TV/Remote folder has been added to the Time to Play tab. Affects Child 40.
- Added TV remote operations to the ECU/Remote folder on the Time to Relax Tab. Affects Teen/Adult 40 and Text 40.
- TV remote functions added to TV folder on the Time to Relax Tab. Affects Child 60, Teen/Adult 60 and Text 60.

## Corrections

- Added links within the Things folder. Affects child and adult versions of ScanPro.
- Added past tense for the Drive Semantic Power Strip. Affects Gateway 40 Teen/Adult, Child 60, Teen/Adult 60 and 60 Text.
- Corrected several typographical errors for the words - fruit, avocado, and cantaloupe.
